The Department of Health will immediately notify anyone who needs to self-isolate.

Please be reassured, if a known case of COVID-19 poses a risk to our students and staff, the Chief Health Officer will inform our school and the Department as an urgent priority. In turn, we will inform you of what actions we will be taking to ensure the continued health and wellbeing of all students. This information will be shared with you as a high priority.

All Western Australian public schools are being supported by the Department of Education to implement a plan in relation to COVID-19. Our current focus is on minimising and preventing transmission, as well as making sure our school is prepared for a possible case.

As the COVID-19 situation evolves, we will continue to follow advice from the Department and update you regularly.

I know there is uncertainty, however I want to assure you we are committed to the health and wellbeing of your child.

Kind regards

A handwritten signature in black ink, appearing to read 'G. Hardy', with a large, stylized flourish at the end.

Geraldine Hardy  
Principal
