

The learning of all students is our highest priority. To assist you during Term 2 we have provided this guide about learning provisions. We recognise that it is especially important to enable Year 11 and 12 students to continue their learning as they work towards achieving their WACE and the completion of their chosen courses. This guide should help students, staff and parents to engage in the teaching and learning process.

Course type	Provisions per week per subject
11/12 ATAR	<ul style="list-style-type: none"> - 2x30 min lessons per week per course via WebEx* - 4x30 min lesson per week per course as directed by Classroom Teacher - 1x feedback on the set task via Connect - Participation in WebEx as directed by Classroom Teacher (following Class timetable) - Students encouraged to revise ATAR courses daily - At the end of the week students required to submit a minimum of one set task per course.
11/12 General & VET	<ul style="list-style-type: none"> - 4x30 min lesson per week per course as directed by Classroom Teacher - Set tasks for student submission as required via Connect - Participation in Connect as directed by Classroom Teacher - VET courses may be facilitated by different means due to qualifications and the platforms which are already established for courses. Further information regarding this will be communicated to students if required - At the end of the week students require to provide evidence of learning per course.
7-10 MESH	<ul style="list-style-type: none"> - 4x30 min lesson per week per subject as directed by Classroom Teacher - 1x set task for student submission per subject via Connect when required - 1x evidence of learning per week - 1x feedback on evidence of learning per subject via Connect weekly - Revision of weekly activities encouraged where possible - EaLS students will receive additional enrichment/extension activities as directed by their Teacher
7-10 Electives & Sport/Health	<ul style="list-style-type: none"> - 2x30 min lesson per week per subject as directed by Classroom Teacher - Alternative practical projects may be available via Connect - Soccer Academy students continue with conditioning program as directed by their Coach
Instrumental Music Students	Continue with regular practice and communicate with Instrumental Teacher via WebEx and Connect

* Timetabled interactive WebEx lesson that may also be recorded for teacher reflection/review.

It is expected that students will participate in their learning program to the best of their ability, communicating with their teachers when they require further support or clarification. Heads of Learning Areas, along with Classroom Teachers, will monitor student comprehension, progress and submission of work.

Year level	Expectations of Lesson Completion
11 & 12	<ul style="list-style-type: none"> - Students are expected to complete the lessons sequentially as assigned by the Classroom Teacher. Some courses (practical) may allow for flexibility as to when students complete the lesson or coursework - Students are expected to participate in WebEx (ATAR only) and Connect as directed by the Classroom Teacher in the time specified on their school timetable - Students are expected to complete revision each day at a time of their choice - Students are expected to submit assessments on time (refer to senior school assessment policy on the school website)
7-10	<p>Maths, English, Science & HaSS Subjects</p> <ul style="list-style-type: none"> - Students are expected to complete their lessons sequentially as assigned, unless specified by the Classroom Teacher. Some courses (practical) may allow flexibility as to when they complete the lesson or coursework - Students are expected to participate in Connect as directed by the Classroom Teacher - Students are expected to respond to communication from the Classroom Teacher when required - Students are required to check Connect each day and respond as directed - Students are required to submit evidence of learning each week - Students are expected to complete revision each day at a time of their choice <p>Electives & Sport & Health</p> <ul style="list-style-type: none"> - Students are expected to complete the allocated lessons over the course of a week - Students are required to check Connect each day and respond as directed

It is understood that most students will be working online whilst a small number will be working with printed materials at home.

Teachers will abide by all relevant Department of Education Policies and:	Students are required to:	Parents are requested to:
Identify clear learning objectives for each lesson	Read the learning objectives for the lesson to understand what is being asked of them	Identify a comfortable, quiet space for your child to learn with access to appropriate resources where possible
Specify task requirements for submitted work	Complete all tasks to the best of their ability in order to demonstrate their learning	Establish a clear workspace, weekly schedule, daily routines and expectations for your child where possible
Provide students with specific times of availability for online assistance	Communicate with teachers during online time or via Connect if they need assistance or don't understand what is required of them	Encourage your child to organise their day so that they have a clear plan of when lessons are and what work is expected from them. Also allow for some “down-time”.
Use a combination of WebEx (ATAR) and Connect to provide engaging lessons to keep students motivated in their learning	Balance their schedule Don't sit in front of the computer all day Get outside and be active for some part of the day	Ensure your child has breaks, keeps active and has contact with friends on digital platforms.
Ensure that adequate resources are available on Connect at all times	Abide by the Department of Education policies – Students Online in Public Schools Policy and the Lynwood Senior High School Digital Citizenship Agreement (see school website)	Liaise with your child's teacher at an appropriate time or via email. Staff will return calls and emails within regular business hours during the Term.
Provide timely feedback during school business hours	For WebEx lessons Ensure you are dressed appropriately for a school lesson and working in an appropriate setting	Support your child to participate in the required lessons as outlined in the table above

Parents and Carers

*We know that this is a most challenging time for you and your child.
Remember that we are here to work alongside you to support your child's learning.*
