

EXCURSION PERMISSION SLIP

Environment and Life Sciences

Testing Day

Whilst all reasonable care will be taken to protect students from injury, parents/guardians should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. In the case of excursions not involving an overnight stay, costs incurred as a result of accident or illness is the responsibility of the parent/guardian. Where it is considered necessary, school staff will arrange medical assessment and treatment for students.

In accordance with Lynwood Senior High School policy students are not permitted to use mobile phones. These should be switched off. In cases of emergency, students can only be contacted by calling the front office.

Parents will need to make their own transport arrangements to and from Lynwood Senior High School on the day of testing day. Students from Parkwood Primary School will be walked back to the school by a staff member from Lynwood.

I have read and understand the information above and give permission for
to attend Lynwood Senior High School on the testing day.
