

Dear parents/carers

This is a friendly reminder about the email I sent seeking your consent for you and your child(ren) to take part in the DETECT COVID-19 Schools study that our school is participating in.

Thank you to those of you who have already completed the online consent form to indicate whether you want yourself and/or your child(ren) to participate in the study.

If you haven't done so already, please complete the online consent form by midnight Friday 5 June 2020. The online consent form link is:

<https://redcap.telethonkids.org.au/redcap/surveys/?s=PTX93EWEM4>

It is very important that you complete the online consent form to tell us whether you want your child(ren) to participate in all, some or none of the projects within the study. Participation is voluntary and requires your consent.

The online consent form also asks whether you would like to participate in the parent wellbeing survey part of the study.

If you have any questions or want any further information about the study, please contact the researchers at Telethon Kids Institute via DETECT-SCHOOLS@telethonkids.org.au.

Paper versions of the consent form are available from the school by calling 08 9354 0600.
