

Dear parent/carer

Over the past two days the staff and I have been working to ensure a smooth start to 2022. We are looking forward to welcoming our students and all the excitement of day 1 when our school opens on Monday 31 January.

For the safety of our students and staff we are following the latest health advice. I have attached a factsheet on our Safe Return to School plan. This shows how we will work together to keep our students, staff and school community safe.

As you will be aware, public health and social measures are in effect for the Perth and Peel (including Rottnest Island) and South West regions, details at wa.gov.au. This includes the requirement for masks to be worn while indoors at school in these regions.

That means our staff and students will need to wear masks indoors, including getting to school on public transport or rideshare. Students are expected to bring a mask and we recommend that they have a spare in their bags. Our Student Services Team will have spare masks if students arrive without one.

I want to assure you that the health and safety of our students and staff is our top priority and we will continue to follow the latest WA Health advice at healthywa.wa.gov.au.

Thank you to all students and parents for your understanding and support during these times.

If you have any queries, please do not hesitate to contact the school on 9354 0600.

Kelly Summers
