YEARS 11 AND 12

Please note that some items on this Resource List are digital resources. To ensure access to digital content, school recommends purchasing a new book. New books include valid access code when required. Reactivation codes are only for students with a second-hand copy of the selected book, and won't work without it or with an incorrect edition.

Things to remember:

- Digital resources are valid for 12 months unless stated otherwise.
- Please choose carefully, as digital resources cannot be returned, refunded or exchanged for change of mind.

We recommend you please order your items carefully ensuring the correct resources are selected for your child's subjects.

STUDENT RESOURCES

We are a BYOD school and as such highly recommend that students provide and Bring Their Own Device. Whilst there is no preferred device, we do have some specifications for parents to consider.

DEVICE CAPABILITY

Parents have the freedom to provide a device running any operating system. The device must however, at a minimum, be capable of doing the following:

- Connecting to enterprise wireless (devices older than 4 years may not be able to do this).
- Have the capacity to install Office 365 applications (Office 365 is free for all students).
- Access CONNECT to complete classwork.

MINIMUM SPECIFICATIONS

We recommend the following minimum specifications:

- 13th Gen Intel Core i3 or higher
- 8GB RAM or higher
- 128GB or higher
- Recommended to be larger than 13"
- iPads must have a keyboard cover

Please be aware that some Android devices and Chrome books have had issues connecting to the school wireless system.
