

Lynwood
SENIOR HIGH SCHOOL

Uniform Policy

1.0 OVERVIEW

1.1 Rationale

Our aim is to educate students and establish a positive community identity for our school and students in a safe, stimulating and inclusive environment. All students are expected to be dressed in school uniform. We are very proud of our students and the uniform they wear, and due to this, the uniform is linked to the school's Good Standing Policy. The school uniform has been developed in consultation with the School Board and other members of the School Community, including students. The benefits of a dress code include:

- promoting the safety of students through easier identification
- keeping costs of clothing within reasonable limits for parents
- assisting students to learn the importance of appropriate presentation

1.2 Scope

Students are to wear the designated uniform during school hours and while attending school sanctioned tours, excursions or activities. Parents/carers are asked to cooperate by ensuring that students wear their uniform to school each day. Students are required to change into the relevant uniform when participating in physical education classes, training sessions or competitions. Every student is expected to comply with the student dress standards in the same way that they are expected to comply with the rules relating to classroom behaviour, absences etc.

1.3 Policy Statement

Acceptance of enrolment at Lynwood Senior High School is an agreement between the parent/carer and the enrolling student, that the student will dress in accordance with the school's uniform policy. Every student is expected to comply with the School Uniform Policy. Students are expected to be dressed in a neat and tidy manner at all times and ensure they have the appropriate clothing needs for any particular day.

Accepted school uniforms displaying the school logo are **only** available at *Uniform Concepts*, located on 30 Kembla Way, Willetton. The uniform price list and order form are available from the school website.

- Shoes and footwear

 - no heels
- For health reasons, students are required to change out of their sport's uniform for classwork after Physical Education or Soccer Academy classes. Students in Period 1 can wear their sports uniform to school and change into their regular uniform at the end of Period 1. Students must change into the normal school uniform prior to leaving school at the conclusion of Period 5.
- Shorts and skirt lengths must be of an appropriate length for modesty of presentation.
- Jewellery must be appropriate, safe and kept to a minimum (no large hoops; necklaces tucked in). Students may be asked to remove and/or cover a piercing where they are deemed a safety hazard. Makeup should be kept to a minimum.
- Hair should be neat and tidy, and tied safely out of the way for practical subjects.
- School caps are encouraged for sun protection outside the classroom and are available from the uniform shop. Caps, bandanas, beanies etc are not to be worn in the classroom.
- Cultural alternatives to the uniform are permitted, only for headwear, (e.g. Islamic Headwear, Turbans etc) as long as they are plain and in approved school colours of light or navy blue, white or

black. For alternate colours due to other cultural reasons, please consult the relevant Deputy Principal.

- During winter, students may wear a plain undershirt (such as a plain short or long-sleeved T-shirt) beneath their school polo shirt, ONLY if it is in the approved school colours of white, light or navy blue. There must be no logos, writing or other colours, and it must be tucked in and not visible.
- If a student is not in appropriate school uniform, they will be asked to borrow the necessary items from the school uniform bank located in Student Services. Please refer any queries or concerns should be referred to the Heads of Student Services, Deputies or the Principal.

2.4 Excursions

To ensure the safety of all students when attending school sanctioned excursions, it is school policy that only students in school uniform may attend; unless otherwise organised. Students out of uniform on the day of the excursion will remain at school with appropriate work.

2.5 If an item is not on this Policy, it is not part of our School Uniform.

3.0 School Uniform Bank

It is expected that every student will be in school uniform. Therefore, if for some reason a student cannot wear a uniform, they must borrow what they need from the uniform bank situated in Student Services. If a staff member has directed a student to Student Services during class time, they should ensure that the student is accompanied, if possible.

Procedure to borrow from the school uniform bank is as follows:

1. Before school starts, students check in to Student Services and borrow the items they need. They leave their own clothing with Student Services staff to be collected on return of the borrowed item.
2. If a student is seen to be wearing inappropriate uniform after the commencement of Period 1, they will be asked to go to Student Services to change or remove the inappropriate item. This may impact on their Good Standing. If there is a major problem with a student's dress standard, parents will be contacted by letter or telephone. Students with on-going issues will be in breach of the Good Standing policy.
3. At the end of Period 5, students are to return to Student Services to collect their own clothing after returning the borrowed item/s.
4. Students may negotiate a longer-term loan based on need.
5. All items in the Uniform Bank are laundered after each wearing.
6. If students fail to return the borrowed school uniform, they will be asked to replace them.
